This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

GRADUATE SCHOOL
OF PUBLIC ADMINISTRATION

RATES OF POSTAGE

Established by Act of Congress of 3d March, 1825, and the amendatory act of 2d March, 1827.

ON A SINGLE LETTER COMPOSED OF ONE PIECE OF PAPER.

	Miles.	*Cents.*
For any distance not exceeding	30	6
Over 30 miles, and not exceeding	80	10
Over 80 do. and not exceeding	150	12½
Over 150 do. and not exceeding	400	18¾
Over 400 miles		25

A letter composed of two pieces of paper, is charged with *double* those rates; of three pieces, with *triple;* and of four pieces, with *quadruple.* "One or more pieces of paper, mailed as a letter, and weighing *one ounce,* shall be charged with *quadruple* postage; and at the same rate, should the weight be greater."

NEWSPAPER POSTAGE.

	Cents.
For each newspaper carried not over 100 miles	1
Over 100 miles,	1½
But if carried to any office in the State in which it is printed, whatever the distance may be, the rate is	1

PAMPHLET POSTAGE.

Magazines or Pamphlets, published periodically, not exceeding 100 miles,	1½	*cents per sheet.*
Over 100 miles,	2½	do. do.
Pamphlets not published periodically, not exceeding 100 miles,	4	do. do.
Over 100 miles,	6	do. do.

"Every printed pamphlet or magazine which contains more than twenty-four pages, on a *royal* sheet, or any sheet of *less* dimensions, shall be charged by the sheet; and small pamphlets, printed on a half or quarter sheet, of royal or less size, shall be charged with half the amount of postage charged on a full sheet."

Letters to Canada, can be forwarded through the agents of the United States at KINGSTON, Upper Canada, MONTREAL, Lower Canada, and at ST. ANDREWS, New Brunswick, whether the postage be paid or unpaid.

The following table exhibits the distances, by the shortest mail routes, Territories, respectively. Prepared by

with a pencil, or red ink, through the spaces at every fourth or fifth line

EXPLANATIONS.

1. STATE CAPITALS are printed in this table in small capitals.

2. *County Seats* are printed in italics, and are also indicated thus, (*c. h.*) except when "Court House" is a part of the name of the office, which is expressed thus, C. H.

3. The distances herein given are estimated by the way of the nearest legally established post routes. As distances are generally computed by way of the most direct, or most usually travelled road, without regard to its being a post route, there will be several instances in which the distances, as set down in this table, will materially vary from those generally understood by the public. To illustrate: the offices of Porter's Bridge, and Hiram, in Maine, are in adjoining townships; there is no direct mail communication between these post offices; they are supplied by different post routes; their distance from each other is not more, perhaps, than six miles; and yet, by the course of the *post* routes between these places and Washington, Hiram is twenty-five miles further from this city than Porter's Bridge.

To render this part of the publication as accurate as practicable, an experienced engineer, an officer attached to the topographical corps of the army, has been engaged upon it; and statements have been obtained from the Postmasters of most of the principal offices in the United States, giving the length of the mail routes passing their offices, and the reputed distances between the different post-offices situated on them.

4. The following list gives the States and Territories in the order of *contiguity* observed in this Department, the most approved *abbreviations* of their names, and the *distributing post offices* in the United States.

States and Territories.	Abbreviations.	Distributing Post Offices
Maine,	Me.	Portland.
New Hampshire,	N. H.	Portsmouth. Hanover. Walpole.
Vermont,	Vt.	Brattleboro'. Windsor. Middlebury. Bennington.
Massachusetts,	Ms.	Northampton. Boston.
Rhode Island,	R. I.	Providence.
Connecticut,	Ct.	Hartford. Stamford.
New York,	N. Y.	New York. Albany. Oswego. Buffalo.
New Jersey,	N. J.	[None.]
Pennsylvania,	Pa.	Erie. Pittsburgh. Washington. Chambersburgh. Easton. Philadelphia
Delaware,	De.	Wilmington.
Maryland,	Md.	Baltimore. Hagerstown.
District of Columbia,	D. C.	Washington.
Virginia,	Va.	Petersburgh. Norfolk. Abingdon.
North Carolina,	N. C.	Ashville. Salem. Fayetteville.
South Carolina,	S. C.	York C. H.
Georgia,	Ga.	Petersburgh. Augusta. Savannah.
Florida Territory,	Fl. T.	[None.]
Alabama,	Al.	Huntsville. Montgomery. Washington C. H.
Mississippi,	Mi.	Natchez.
Louisiana,	La.	New Orleans.
Arkansas Territory,	Ar. T.	[None.]
Tennessee,	Te.	Nashville. Cumberland Gap.
Kentucky,	Ky.	Louisville. Maysville.
Ohio,	O.	Cincinnati. Gallipolis. Marietta. Zanesville.
Michigan Territory,	Mic. T.	[None.]
Indiana,	Ia.	Vincennes.
Illinois,	Il.	Shawneetown
Missouri,	Mo.	[None.]

NOTICES.

☞ Every postmaster, contractor, and agent of the Department, on his examination of this table, will communicate to the Postmaster General any error which he may discover, particularly in the name of the county and distances of each office in his immediate vicinity, and any change in the county seat: Also, give information of all new counties, when formed, their boundaries, the post offices embraced in them, and their seats of justice.

☞ All communications to the Department should name the county and State of any office referred to. The county and State should also be written with the date.

☞ Many free letters are sent by mail *without any* post-mark, and it is quite common, in post-marks, to omit the *State*. Postmasters will be careful to postmark *all* letters sent by mail, with the name of the office and the abbreviated name of the State, the date, &c.

TABLE
